Empowering Businesses Through Candidate Placements

Transform Your Workforce, Boost Your B-BBEE Score

At White Paper Systems (WPS), we specialize in connecting businesses with skilled student candidates through our innovative placement program. By partnering with us, you can:

Enhance Your B-BBEE Score

Student placements contribute to your Skills Development and Employment Equity targets, helping you achieve higher B-BBEE levels.

Save on Workforce Costs

Access talented students at no salary cost—they are funded by learnership grants.

Make a Difference

Provide valuable workplace experience to students while building a pipeline of future talent for your organization.

How It Works

1

Candidate Matching

Access talented students at no salary cost—they are funded by learnership grants.

2

Placement

Students join your team for 6 to 12 months, gaining hands-on experience while contributing to your operations.

3

B-BBEE Benefits

Earn points for Skills Development and Employment Equity, improving your overall B-BBEE score.

4

Cost-Effective Solution

Only an administration from **R2,500 to R4,000 (excl. VAT)** per student per month is required. Saving you up to **80% in salary costs.**

Why Choose WPS?

Proven Track Record

We've successfully placed students in various industries, helping businesses achieve their B-BBEE goals.

Affordable

Our low administration fee ensures you save on recruitment and training costs.

End-to-End Support

From candidate selection to placement management, we handle everything.

Impactful

Create opportunities for students while driving transformation in your organization.

With us you will do it right the first time
